

Attention All Animal Lovers!!!

As with any good cause, help from the community is what makes a difference in the lives of everyone--humans, animals, and all living things.

Saving pets is more rewarding than most other things we can do in life.

Menifee Valley Humane Society is an all volunteer animal welfare organization that is dependent on the good will and talents of our friends and volunteers. There is much satisfying and challenging volunteer work to be done and many areas in which to participate, including:

- Computer work
- Maintaining our website
- Digital photography
- Phones
- Fostering homeless dogs or cats
- Public relations/advertising
- Fund raising
- Micro-chipping
- Spay/neuter program
- Helping at special events
